

TECHNICAL DATA SHEETEffective date: 01.2020
Rev.0**Optima bottle 24/410, 50 ml****CONFIRMATION OF CONFORMITY**

In the context of this declaration of conformity, we declare that the above article complies with the provisions of Regulation (EC) No. 10/2011 and Regulation (EC) No. 1935/2004 in the applicable version (as amended).

Further declaration of conformity

The traceability of the article according to Regulation (EC) No. 1935/2004 (as amended) is guaranteed. In addition, we confirm compliance with Regulation (EC) 2023/2006 as amended "on good manufacturing practice for materials and articles that are intended to be used in food.

To come into contact ", Regulation (EG) 1907/2006 as amended" for registration, evaluation, approval and restriction of chemical substances (REACH) "and Directive 94/62 / EG as amended" on packaging and packaging waste ".

Materials used

Base polymer polyethylene (HDPE)

Base material Mol Tipelin 6000B

According to the information provided by our suppliers, the materials used meet the following legal requirements:

- VO (EG) 1935/2004
- VO (EG) 10/2011
- Directive 94/62 / EC
- REACH: no SVHC > 0.1%

Migration

We do not carry out migration studies and are not responsible for this. When used in accordance with specifications, the values for total migration and specific migrations should be below the legal limit.

Dual-use substances

According to the manufacturer, Tipelin 6000B contains calcium stearate (CAS No. 1592-23-0, Ref. No. : 89040 Ca-salts, E 470a) up to 800 ppm.

Special substances

According to the manufacturer's instructions, the article contains neither bisphenol A, phthalates, polycyclic aromatic hydrocarbons (PAHs), CMR substances, SVHC > 0.1% or nanoparticles or nanotechnology.

Specification of use

Suitable for packaging food and cosmetics.

Note

This declaration applies only to the article listed above and does not constitute a guarantee and / or guarantee promise for the product properties.

The recipient of the article is responsible for checking the suitability of the article for the intended purpose and compliance with legal regulations (such as global migration, specific migration and other analytical studies). For changes (smell, consistency, ...) of the filling, which are caused in particular by interactions with our article, we are not responsible if they arise.

All information in this declaration is based on analyzes and information from our suppliers that were available at the time of preparation.
